Bible is the
word of **God**
KYLE GRAY TEACHING PASTOR

Scripture is God-Breathed (inspired).

¹⁶All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness,
¹⁷that the man of God may be competent, equipped for every good work.

2 TIMOTHY 3:16-17

For no prophecy was ever produced by the will of man, but men spoke from God as they were carried along by the Holy Spirit. 2 PETER 1:21

DISCUSSION QUESTIONS

1. Of all the books ever written, the Bible is clearly the most read, studied, scrutinized and criticized. What are the common statements people use to discredit the Bible? Why have their efforts failed?
2. Kyle tossed out a few facts about the Bible: 66 books, 40 authors, written over 1,500 years, ago across three different continents and three different languages – yet, nothing in the Bible contradict itself! Why not? (If you believe there are contradictions in the Bible, where are they?)
3. Why is historical corroboration of the accuracy of the scriptures important?
4. When reading the Bible, how often do you find yourself struggling to understand what God is trying to communicate to you?
5. If you were asked to defend the Bible (remember the word “apologetics”), what would you say?
6. At the end of his video, Kyle said something like, “Despite all of the evidence, you don’t have to believe, if you don’t want to.” If you are still hesitant to embrace the truth of the Bible, what areas are you still struggling with? Most importantly, how do you plan to have those questions answered?
